

# Greater Burgess Community Association

## Join Our Perk Program! Support Your Community & Grow Your Business

### What is the GBCA Perk Program?

The Perk Program is an exciting new opportunity for local businesses to connect with area residents who are members of the Greater Burgess Community Association (GBCA). Members will receive a discount card each year to use at participating businesses like yours!

### How It Works:

- Sign up for a **Gold Member** membership and participate in the GBCA Perk Program for just **\$90 annually**.
- Offer a discount or perk of your choice to anyone who presents a GBCA Perk Card.
- Your business will receive a **window sticker** to show your participation.

As a **Gold Member**, your business will benefit from:

- **Increased Traffic:** GBCA members will be encouraged to shop and dine at participating businesses.
- **Online Visibility:** Your business will be featured on the **GBCA website**, giving you extra exposure.
- **Community Engagement:** Strengthen ties with local residents by showing your support for the community.
- **Quarterly Event Opportunities:** Set up tables at **quarterly community meetings** to directly engage with GBCA members.
- **Exclusive Branding:** Proudly display your window sticker showing you're a GBCA supporter!
